## 17th Annual Heritage Homes Tour

*The Jewels of Castle Hill*  
Saturday, May 2, 2009  
10 a.m. – 4 p.m.

Join us as a volunteer for this beloved annual event. Eight architectural gems of Old West Austin will sparkle on this walking tour spotlighting historic properties that retain their integrity and charm after being updated for contemporary living. Volunteers will receive one free ticket to the tour.

### Volunteer Descriptions:

**Docents** work 2-4 hour shifts with the house chair the day of the tour. They are given a history script as written by the HSA research committee. They tell the tour-goers about the history, lead them from room to room and are available for answering questions. Docents are strongly encouraged to attend a special informational meeting to be scheduled at the end of April at the home they will be working at. They will be given a tour of the home, receive the house history, and be assigned a working location within the house for the day of the tour.

**Ticket sellers** sell tickets to tour-goers at the HSA tour headquarters tent. This has a time requirement the day of the tour for 2 hours. Please check one shift time below.

**Ticket takers** organize the visitors outside of each home into small groups before they are allowed entry into the home and check for entry wrist bands. This has a time requirement the day of the tour for 2 hours. Please check one shift time below.
